## Our Cardinal Principles

Our international organization, The Omega Psi Phi Fraternity, Inc. was founded on November 17, 1911 on Four Cardinal Principles – **Manhood, Scholarship, Perseverance, and Uplift.** These Cardinal Principles form the foundation of everything we do in our service to community, as well as in our attitude and aptitude as an organization.

## Men of Distinction

Omega Men come from all walks of life. The men who make up Gamma Pi Chapter are a microcosm of that diversity within the international Omega fold. In Gamma Pi, you will find men in medicine and law, as well as teachers and school

administrators, association executives, military officers, government leaders, entrepreneurs, businessmen, clergy and

politicians at the state and local levels. Together, we form a mosaic quilt of professionals who are contributing to society in every aspect of life.

Many Omega Men -- and locally, Gamma Pi Men -- are recognized leaders in the local community.

While you may not know the Omega Men of Gamma Pi by name, you know them by deeds – reaching back and uplifting others, leading change, tapping and maximizing the potential of youth within the community, saluting our seniors and creating opportunity for community growth and empowerment.

## Men of Superior Service

In the course of a year, Gamma Pi Chapter will sponsor or host more than 25 social service projects benefiting the local Prince George's Community. From a summertime Senior Citizen's Banquet to Community Cleanup Days; from Scholarship and Talent Hunt programs identifying and encouraging promising youth to Neighborhood Health Fairs to Thanksgiving and Christmas food basket giveaways for needy families to mentoring, Gamma Pi Men are serving the needs of the people of Prince George's County every day. We are where the needs are. Learn more about all of our service programs on our website, [www.gammapi.org](http://www.gammapi.org).

## Men of Action

Members of Gamma Pi Chapter observe present conditions in our Prince George's communities and take decisive actions to improve those conditions. There is no such thing as "impossible" when it comes to improving the livability and vibrancy of the county and its residents. Working with the local government as well as with volunteer organizations, Gamma Pi is committed to creating hope and opportunity.

## Tune In to Gamma Pi On-Air

We highlight our community service work alongside our partners through our brand new public access TV show, "Community UPLIFT." It airs on the Comcast (Ch. 76) and Verizon FiOS (Ch. 42) systems several times a year in Prince George's and Montgomery counties. You can also watch archived broadcasts online on our YouTube Channel. ([www.youtube.com/gammapichapter](http://www.youtube.com/gammapichapter)). Our show is designed to inform the community of the availability of our vast array of social action programs and services.
